Marketing Strategist / Project Coordinator, RS Agency

Key project: OncoDiag — product marketing and GTM for a cancer-diagnostics test based on the CA-62 biomarker

- Wrote the research survey (**260+ respondents**) and ran **20 in-depth interviews** myself
- Built a problem funnel and narrowed **49 ideas** to **10 priority GTM hypotheses** on four criteria: product stage, feasibility, measurability, scalability
- Finalized CA-62 positioning and briefed the **44-slide** physician education program and the physician channel
- Built B2B communication for doctors, labs and partners: from my briefs copywriters and designers produced Citilab front-desk scripts, a **6-format** partner toolkit, 3 product presentations
- Proposed and launched a Salebot chatbot with a developer
- Field-tested messaging at the PreventMed conference: **200+ materials**, 3 clinic adoption scenarios; doctors' questions fed back into training
- Supported educational activities for **100+ healthcare professionals**
- Running a Pink October activation with Citilab: digital health calendar, QR funnel, lobby videos, **1,000 promo codes**
- Coordinate copywriters, designers and contractors

Also at RS Agency: market and audience research, segmentation of 88 medical specialties across 3 client types, client project coordination.

Founder / Community Growth Lead, Independent Media & Community Project

- Grew the community from zero to **1,800 followers**: 10 influencer integrations, the best brought **+487**; referral mechanic — 50 activations → **+700**
- Ran a charity campaign with 5 partner brands: 100+ comments, RUB 30,000 donated
- Led a team of 10 and produced 5 storytelling videos; the project was featured on TV

2017 — 2018
Kazan

Marketer, Murzik cat café

vk.ru/cafemurzik16 · instagram.com/cafemurzik16 · t.me/cafemurzik16

- Grew the communities to **9,000 on VK** and **12,000 on Instagram**: content, targeted ads, paid placements in VK groups, geo-points, booking right in the group
- Referral mechanics (Help the cats, Share a story, Take a kitten home): Instagram recommendations brought **10–20 guests a day**
- Budget of about **RUB 20,000 a month** against café revenue of **RUB 250,000+** (up to RUB 500,000 in strong months): marketing paid for itself and still brings guests today
- Helped change the product and positioning: own kittens instead of shelter cats; set up regular kitten photos and videos, which became the main source of guests
